Work on our own projects

Bring your projects and use the time to catch up on those UFO's. The good news is that the fabric for the Basic Bolds Quilt for 2015 has been purchased. Cheryll, Jan, Sis and Dianna met at M & L fabrics and picked out 19 beautiful fabrics for the quilt. We are sure you will all approve. We will cut the fabric for the blocks in the afternoon at our August meeting.

Turtle Pillow Project

If anyone has a turtle that they were working on at home please bring it finished or unfinished to the meeting in August. Or, if you have cotton fabric you would like to donate we will take that to...we have ladies on fixed incomes willing to sew that don't have the \$\$ to buy fabric.

Thanks everyone!!

Upcoming Events:

August 16 & 17

Quilt Daze Quilt X show "Generations of Quilts"

at the Yorba Linda Community Center, 4501 Casa Loma (Imperial & Casa Loma)

August 16 & 17. This is the show we have agreed to participate in. We will have a 3 sided bay, 9 x 9 feet in which to display quilts from our guild. We can also sell tickets on the My Flower Patch Quilt. Even though this show is in August, the Yorba Linda Community Center is air conditioned and is very comfortable.

Please bring the quilts you want to display at this show to the August 9th meeting. I will take them to the show and pick them up from the show. I will bring them to the September meeting for you to take home (or we can make arrangements to get them back to you before September).
