Location: Humanities 107

Its time to sew!!!

That's right...Our Storm at Sea Quilt has been laid out and its time for us to start sewing it together. Please bring your machines, extension cords, irons & ironing surface and a medium shade of gray thread. The rows will be labeled so it should go smoothly.

If you are new to our group, please feel free to join in on the fun. If you don't bring a machine, you can always press the blocks and get them ready for the next step.

There were many people who showed interest in our group when we did our demo day at the OC Fair and may be coming to this meeting. We want them to feel

welcome and hopefully they will find us to be a fun group of quilters to spend time with.

We will be meeting in Humanities 107 for the remainder of the year. I have included a link to a map of the college so everyone can find the room. The Humanities Building is number 21 and room 107 is in the southeast corner of the first floor. Parking is always a problem because of the swap meet but the best bet is to park in the Gothard side parking lot.
