# Sewing Day

We will be meeting in the Community Center 103 room. this is the room on the back side of the Community Center.

There should be just a little bit to finish up on the Beach Quilt. I put the majority of it together so we could make sure the center is centered. Cheryll will make one more block to fill in where it was needed and she will get a good start on the nine patch blocks for the border.

We also have four big bags of donated fabric to sort through and decide how to use. It might be fun for each of us to try to make a small scrap quilt during our meeting on the 14th. So many patterns can be made from scraps. So with that in mind, bring your machines and all the paraphernalia that goes with them and lets see what comes out of the day.
