

HENS & CHICKENS QUILT FELLOWSHIP

an Auxiliary of Golden West College
15744 Golden West Street
Huntington Beach, CA 92647
(714) 892-7711

July 11, 9:00 am
Location: Humanities 107

We will be making lap quilts for Angel Interfaith Network and Project Linus. We will make tops that are simple and go together quickly. We would like everyone to bring 40 strips cut from your stash fabrics. The strips should be 2.5" wide and be the width of the fabric long. Bring your machines, pins and threads, cutting boards and cutters. Some should bring irons.

Also please bring ideas for our next opportunity quilt. We would like to make a quilt that has 12 main blocks and that we can work on at the meetings so that no one person has to take it home to put it together. Also bring color suggestions for this next quilt. Something that will stand out and be liked by both women and men. If you have pictures of quilts in nice colors, please bring them. Even if it is not the pattern we will use, it will give us suggestions of what colors to choose for the quilt.

Kathy Moore contacted me about coming to our meeting. I will not be there so I ask that the membership keep an eye out for her and welcome her to the group.
