We will meet in [Community Center 102](#)

9:00 am to 4:00 pm

Square City

I know, last newsletter said we would be working on Placemats this month, but surprise, surprise...the placemats are finished. So instead, we will be using the rest of the donated fabric to make the Square City quilt. Cheryll very generously has cut the fabric in to squares to get it ready for this workshop. So bring your machines and all the paraphernalia that goes with them, Cheryll will bring the fabric and we will have an all-day workshop.

Also, we will be having a sandwich swap. Real food, not fabric. Everyone make a sandwich and cut it into quarters. The quarters will be placed on a single serving platter and everyone will be allowed to take up to 4 quarters for their lunch. Jan will bring a salad and ranch dressing to enjoy on the side.

Lots and Lots of place mats were made at the September meeting. If you have place mats that you finished at home, please bring them to the November meeting so they can be rounded up and taken to their final destination.

At the October meeting we had a great time making pumpkin blocks. Here is the one that Sis finished:

2013 will be the year of the UFO.

Anyone who wants participate can. You can join at the beginning or anytime during the year. The first step, if you are going to start at the beginning of 2013, should be completed by the December 8, 2012 meeting so that we can get a start on the new year. Here is the first step:

Step 1: Know what you have.

Count your projects in progress – the unfinished objects, the PIGS (projects in grocery sacks), yes all the UFO's.

Yes, you need to haul out all of them and make a list.

Put them into the following categories:

Group A – almost done. List these in the order of importance.

Group B – Almost done...but you really don't want to finish them. Point here is.... you do NOT NEED to finish everything you started.

If you no longer love it...

- give it away
- sell it
- but do not keep it

Group C - Partially done AND I LOVE the project and WANT to finish it. List these in order of importance.

Group D – Partially done but...

From your list above take out the projects that you really have outgrown and that are giving you Guilt

—but seriously, these are the ones you just need to finish and enjoy!

Group E – Barely started

And the last group for you to sort is this one, the ones you have **BARELY** started.

Collections of fabric and pattern do not count (**YIPPEE!**)

Take a **GOOD... HARD... RUTHLESS** look at this group and be sure what you leave in this pile are projects you want to continue

Bring your list to the meeting in December.
