November 12, 9:00 am

Location: Jinny Morelock's home

**6902 Auburn Dr.
Huntington Beach, CA**

Jinny Morelock has graciously offered to hold our next 2 meetings at her house. Jenny's house is near Goldenwest and Valentine Dr.

We are still working on the Storm at Sea Quilt. We are at the point of sewing the blocks into rows. Please bring your machines, grey thread, irons and boards. We are almost finished sewing the columns together so please come and help "Git R Done"!

Dues: Dues are \$10 for the year. Attached is the membership form. Please bring the form and your payment to the next meeting.

Birthday Blocks - In 2013, Hens and Chickens exchanged birthday blocks. After seeing what Marge made with her Birthday blocks, new members have asked to see what other members made with our Birthday Blocks. So.....if you have birthday blocks or a completed birthday quilt (or anything in between), please bring them to the November meeting. Also, if you still have the FIRST QUILT you ever made, please bring it for show & tell.

At the October meeting we discussed elections for offices with Hens & Chickens. The offices we have are President, Membership Chair and Treasurer. We will continue the discussion at meetings or we may discuss a day we can meet for lunch to talk about officers and goals for our group so that we do not take time away from working on the opportunity quilt.

Our holiday party is coming up December 10. Last December we exchanged 3 one-half yard pieces of Christmas fabric. If you finished a project with yours, we want to see it at the party. If not....you still have time to create something great.
