**October 10 - 9:00 AM to 12: PM**

**Bring the quilts you have been working on for  
Angel Interfaith Network**

We will continue to make lap sized quilts or work on our own project at the October meeting.

So please bring your machines and a variety of thread colors, cutting boards, rulers, rotary cutters, irons, boards and extension cords.

Also bring your staplers to staple quilt tickets into groups of 6 tickets.

# The Basic Bolds Opportunity Quilt

The tickets have been printed. I will bring the tickets to the October meeting. Please bring your staplers and we can staple the tickets into groups of 6. I will also have a list of who to contact at our local guilds so we can begin to contact them and ask when we can bring the quilt to one of their meetings. We need more ideas of where to take the quilt to sell tickets so put your thinking hats on.

I entered the Basic Bolds Quilt in the Road to California quilt contest. We will not hear whether it has been accepted until Dec. 1. If accepted, it will be judged and winners announced at the show. I will keep you all informed whether it makes it in the show or not.

## Ideas Needed

Now that the Basic Bolds quilt is finished, its time to design our next Opportunity Quilt. Please bring your ideas to the October meeting so we can come up with a plan.

## ***We are going to have a Wool Party!!!***

Next Month - Nov. 14 in Community Center 102 our meeting will be a Wool Party

Wool Applique is a popular and fun way to create beautiful quilts and other projects. Cindy Davis and Kat Bene of *“Generations”* will be coming to our November Meeting and bringing their hand dyed wool. They will bring a project for us to work on and have a supply of their hand dyed wool plus other supplies for purchase.

We see many quilts made with wool from *“Generations”* on display at quilt shows.
