## HENS & CHICKENS QUILT FELLOWSHIP

an Auxiliary of Golden West College 15744 Golden West Street Huntington  
Beach, CA 92647 (714) 892-7711

---

### **September 12 - 9:00 AM to 12: PM Community Center Room 102**

#### **Work on Philanthropic Project Continues**

We will continue to use our 2.5" strips to make lap sized quilts. Last month's crew of 5 members completed 3 tops and started 2 more. How many can we finish this month? Lets challenge ourselves to turn out as many as we can in one day. We have the room until 4 pm so we can sew as long as we can.

I will be there and I have taken this opportunity to clean out my fabric stash. I will bring three boxes of fabric. The fabric is not small odd shapes, it is fabric that is perfect for cutting 2.5" strips edge to edge. I will be spending my free time until the meeting cutting as much of it as I can into strips so they will be ready to sew. I have red, white and blue, and fall colors, and pastels and holiday stuff too. I also have some large pieces that will be suitable for backings.

So please bring your machines and a variety of thread colors, cutting boards, rulers, rotary cutters, irons, boards and extension cords. This should be a fun day for getting together and giving to others.

# The Basic Bolds Opportunity Quilt

Bring your cameras.....The Basic Bolds Opportunity Quilt will be on display at our September meeting. Most of you have not seen this quilt since May when we put the finishing touches on the top. It is now quilted and it is beautiful. What an awesome display of color.

Now to have the tickets printed and line up some places to show it off. We can discuss the schedule at the meeting.

## Ideas Needed
